Newsletter January 2014

## Happy New Year!

We're so happy to have all of our new members from last year, and to welcome everyone back to our club! Winter socials are back this Saturday, and will continue once a month indoors through March, then continue outdoors each month at the Wash Park courts starting in May.

Please remember that membership is based on calendar year, which means your renewal is now due...Especially for those coming to the **first social of the year on Saturday, January 11 at CAC Monaco!** Sign up on our website within the next few days to ensure you don't get closed out.

## FROM THE PRESIDENT

As we start our 2014 season I want to first of all **thank** all of our board members, volunteers and members for a very fun-filled and successful 2013. We are looking forward to another year of fun and success with our league teams and exciting socials.

Briefly, I would like to address to you several areas where your dues are appropriated. First, as we play on public courts, we have to pay rent to the city for every time they are in use. This amounts to thousands of dollars.

We also maintain the windscreens and equipment to clean the courts and surrounding areas (we even leave the brooms and roll-dris on the courts for the publics use) and we donate funds to CTA for various functions. In addition, we have donated monies to Parks and Rec for the benches on the courts and this year we are also donating a sizable amount for a new gazebo to be installed and this should be completed before the season starts.

WPTC Board members are always open to your suggestions to improve our club and facilities and look forward to hearing from you. May you have a great 2014 season!

Gordon Rulon  
President
