### Fall Weekend in Vail 2016

The sun warmed up the days, and the breath taking views of the Rocky Mountains were refreshing!

The soup and baked potato bar kept everyone warm Friday night as we gathered for the meet and greet in the main condo. This year the party condo overlooked the tennis courts and the picturesque mountainside, which allowed everyone to relax and enjoy the music and companionship that's always part of WPTC's social events. There were many new faces, as well as some veteran attendees, and regardless of age or ability level, everyone enjoyed each other's company.

This year the competition was exceptional! Is it just me or is our tennis game improving? Winning back the trophy from the Lakewood Challenge this year proved that!

Tennis began at 9am Saturday morning and kept us going until early afternoon. We each had a chance to stop and take in the beginnings of autumn colors as we enjoyed lunch courtside. We had six courts this year, and after a full day of playing, many players headed for the hot tubs and saunas to soothe their aching muscles.

Saturday night's potluck dinner was well attended and nobody left hungry, thanks to the delicious options brought by our magnificent Wash Park chefs! There was lots of yelling and laughter from the group as they played different versions of the game "Catch Phrase" and won prizes from the raffle drawing. Another success!

Check out our website here to view the photos from the festive weekend. We look forward to seeing you next year; and remember to sign up early, as there's always a long waiting list.

Congratulations to all the teams that won their flight and participated in Flight Playoffs and advanced to Districts and Sectionals.
